I am directed to refer to subject mentioned above and to say that various representations have been received regarding requirement of AMC for Speed Limiting devices.

2. In this regard, it is to mention that since AMC of speed limiter device is not within the scope of AIS 018 (Automotive Vehicles-Speed Limitation Devices-Specifications) and AIS 037 (Procedure for Type Approval and Establishing Conformity of Production for Safety Critical Components), the AMC for speed limiting devices should not be insisted.

Yours faithfully,
